Re: Hideaway Bay Beach Club Condominium Association, Inc.-Second Notice of Annual Members' Meeting

Dear Owner:

The Hideaway Bay Beach Club Condominium Association, Inc. Annual Members' Meeting will take place on Wednesday, December 3, 2025, at 2:00 p.m. at 9400 Little Gasparilla Island (Second Floor Conference Room), Placida, Florida 33946 and by Zoom teleconference. Notice for instructions to attend the Annual Members' Meeting by Zoom will be available on the website and emailed to all owners prior to the meeting.

Enclosed please find the Second Notice of the Annual Members' Meeting, Meeting Agenda, Limited Proxy/Ballot, Ballot for the election of officers as well as their information sheets, 2026 Proposed Budget, and Resident Information Form.

There are three (3) board member positions expiring this year and we received six (6) Intent to be a Candidate forms; therefore, there will be an election.

Ballot: (Pink Paper with two white envelopes)

Enclosed is a Ballot for the 2025-2026 Election of Directors. The Ballot is used to cast your vote to elect new directors. Three (3) directors will be elected this year. Please do not vote for more than three (3) directors or your Ballot will be invalidated. **Blank ballots will not be counted. Please place the marked Ballot in the Ballot envelope and seal it. DO NOT WRITE ON THE BALLOT ENVELOPE. Place the Ballot envelope in the Hideaway-Ballot Return Outer Envelope. Be sure to print your name, address, and unit number on the return envelope. The signature of the Voting Representative is also required. Envelopes not signed by the Voting Representative will not be counted. Mail the Ballot Return Outer Envelope so it reaches us by 5:00 p.m. by December 1, 2025.**

A quorum of the Association Members must be present in person, via Zoom teleconference, or by proxy at the meeting in order for business to be conducted. It is therefore VERY IMPORTANT that you return the enclosed Limited Proxy/Ballot (Blue Paper) as soon as possible. The Limited Proxy also includes questions that each member will need to vote on. Even though you may be attending the meeting, you are encouraged to mail in your proxy. This will help us in establishing a quorum and save time at sign-in as all proxies received must be logged in and counted. If you appoint a proxy holder and later decide you will be able to attend the meeting in person, you may withdraw your proxy when you register at the meeting. Should your appointed proxy holder not be able to attend the meeting, he/she may designate a substitute proxy holder by signing the section at the bottom of the proxy. Return the completed Limited Proxy/Ballot to SeaBreeze Community Association Management, LLC. in the envelope marked "Limited Proxy/Ballot."

A copy of the 2024 Annual Members' Meeting Minutes will be available at the meeting.

Sincerely yours,

Hideaway Bay Beach Club Owners,

My name is Greg Holt and this letter is to inform you that I am declaring my intention to be a candidate for the Board of Directors. My wife Gretchen and I have been coming to Little Gasparilla Island since 2002 and have been Hideaway Bay Beach Club owners in "H" building since 2008. Like each of you, we first were surprised that such a place existed and with each visit became more enamored with Hideaway and LGI. Along with our three daughters Hideaway has grown into a very special place for us with many great memories of our daughters as they grew up, the incredible ecosystem of our barrier island and the friends we have made over the years in and outside of HBBC. Because of all of this I was compelled to run for the board several years ago and had the privilege of serving as a board member over a span of five years and serving as board president for one year. During that time I was involved with rewriting and updating our bylaws, updating our rules and regulations, developing annual budgets, dealing with water leases for our island and mainland docks, heading a committee to improve our mainland parking lot, ensuring the viability of the septic system and addressing human resource issues along with the day to day occurrences that required the attention of the board.

My background is in law enforcement, having spent 32 years with the New York State Police. During my career I was a Trooper, an investigator in the Forensic Investigation Unit processing major crime scenes and a senior investigator supervising various investigative units in the western New York area where we live. Currently I work with Storm Services Engineering as a field manager responding to major power outages as the result of weather events. We assist electric utilities with assessing damage and providing safety protocol for areas affected by these events.

My reason for running again for the board, as we continue to recover from three hurricanes, is to ensure the complete recovery and rebuild of Hideaway Bay Beach Club. It has been a long three plus years since Hurricane Ian with many twists, turns and setbacks. We also have had progress, improvements and victories during this time thanks to the hard work and dedication of our previous boards. I feel with my previous experience on the board I will be able to help with any issue the board will encounter. The main focus of our board is a fiduciary one, with the board providing a responsible budget that safeguards the investment of every owner, without pitting one group against another, along with addressing the needs of our community as we rebuild back to the Hideaway we all knew before the hurricanes. I will work toward that goal if I am elected.

I would also like to create a committee to conduct a complete review of the recovery and rebuilding effort with the focus on identifying things that were done properly along with areas that we could have handled better with what we know now. From this we will be able to develop an outline and guidance we can reference on how to respond in the future. We have learned many lessons over the last 3 years and we must take those experiences and use them as a basis for our response to any similar occurrence.

Our love for HBBC and LGI is why I am a candidate for the board with the goal of bringing back our piece of paradise to what we all cherished before the hurricanes. We will get there, and we will be a better, safer and more beautiful place where we will continue to build memories and friendships. I would appreciate your vote to allow me to be a part of that goal.

Respectfully,

Greg Holt

Dear Fellow HBBC Owners,

My name is Kevin Kendall and am writing to inform you of my intention to run for the Board of Directors of our association. My wife, Pamela, and I have owned unit F-10 for over four years, but our family, including sons, Tanner and Scott, rented for over a decade prior to that. Like you, we fell in love with our tropical paradise and look forward to HBBC, and LGI, returning to the state it was in prior to Hurricane Ian. My motivation to run is based on a desire to see our beloved home rebuilt from the hurricanes as quickly as possible and let us enjoy the island as we once did.

Pam and I currently split our time between our home outside of Buffalo, New York, and HBBC, spending much of the Winter and Spring on the island. We are able to do so because I own and operate my own private investigation business, which allows me to work remotely while on the island. I have been a private investigator for seven years, after retiring from the New York State Police in 2018. During my thirty-one-year career in the state police, I served as a trooper, sergeant, investigator, and senior investigator, with the last sixteen years working as a supervisor on the U.S. Marshals' Service Fugitive Task Force. My education consists of a bachelor's degree in business administration and a master's degree in criminal justice. After retiring, I also served as an adjunct professor of criminal justice, utilizing the knowledge and skills gained from my education and experience in the state police, "paying it forward" to another generation of law enforcement officers. My service to the community includes ten years as a volunteer firefighter, working as an ambulance attendant (EMT), volunteering at our church, and coaching our children's sports teams. Lastly, I also have experience in light construction and remodeling, having spent a lifetime of DIY projects and remodeling two derelict houses in our hometown.

If elected, I plan to use the skills and knowledge gained from my education and law enforcement experience to move our recovery forward. These talents include:

- Communication skills honed by working with the public and co-workers
- Superior analytical abilities developed over thirty years as an investigator
- A calm, reasonable demeanor from almost four decades of dealing with people throughout stressful situations
- Discipline and perseverance needed to conclude difficult tasks
- A high degree of integrity and discretion crucial to maintaining the confidence of others
- Conflict resolution and mediation skills, which are necessary in reaching mutually satisfactory conclusions in all sorts of situations

In conclusion, if elected to the board, I pledge to work with all homeowners and board members to complete the restoration that the previous boards have begun to make our community all that it can be. In a time that seems to be ever more divisive, I will work to coordinate with the other members and the community in a collaborative fashion.

Sincerely,
