

Weekly Report from Hideaway Bay 3-26-22

- Piper was here on Friday to work on the fire alarm system. They replaced the panels on J and I buildings so far
- The exterminators were here on Friday and took care of the monthly maintenance. They also treated for termites in A-6
- Stoney pressure washed the decks on F building
- The rotted wood at the porch of C1 was repaired. Plastic wood was used
- Stoney took care of the growth around the tree bases as per the work order list
- The roots in front of J5 were removed
- More rodent traps have been set around J-3. The painters have been advised to stop feeding the squarils
- The step on J-5 was repaired
- The mold in J-8 will be taken care of on the 30th, when the family has left
- The tool crib has been locked and the clean up inside is in progress
- The ferry was serviced on Wednesday. The bottom was cleaned and the motors had oil changes. The ferry was back on line for the 2pm boat
- With Mike Moore leaving, Tom and I have a schedule to propose till we get help.
- Tom; Sunday 7:30am-8:30pm, Monday 7:30am-8:30pm, Wednesday 7:30am-8:30pm, Friday 7:30am-3:30pm. Mike B; Tuesday 7:30am-8:30pm, Thursday 7:30am-8:30pm, Friday 3:30pm-8:30pm, Saturday 7:30am-8:30pm. We will have to suspend the 10pm boats on Friday and Saturday
- I have interviewed 1 candidate for the Captain's position. They are looking to be just a relief Captain and would prefer not to be on a regular schedule. I have reached out to Plum Island and they will check with their captains. Another captain I spoke to will not be available till the second week of April
