

Caretakers Report – 6/12/2022

- The captain's cell phone was not working. The office phone has been programmed to give a message to call the caretaker's cell phone.
- NES has painted the tanks at the treatment plant that needed attention.
- A permanent marker was used on the dock sign-in board at the owner's dock. An attempt to clean it will be made.
- Just a reminder that the ferry will be going out of service for a day in July. It will be scheduled after the 4th of July weekend.
