Book 1344, Page 388, et. seq., corrective seventh amended April 25, 1995 in O.R. Book 1398, Page 1800, eighth amended March 25, 1997 in O.R. Book 1521, Page 835, ninth amended March 31, 1998 in O.R. Book 1601, Page 696 and tenth amended March 31, 1998 in O.R. Book 1601, Page 699, all of the Public Records of Charlotte County, Florida (the "Declaration"). The plat of HIDEAWAY BAY BEACH CLUB, A CONDOMINIUM was recorded in Condominium Plat Book 7, Pages 82 et seq., Public Records of Charlotte County, Florida (the "Plat"). The Declaration and Plat submitted to condominium ownership the real property described therein; and

Chapter 718, Florida Statutes and the Declaration permit the Developer and the Association to submit additional lands to condominium ownership, and

The Developer and Association desire to submit additional lands to condominium by filing this Amendment to the aforesaid Declaration;

NOW, THEREFORE, the aforesaid Declaration is hereby amended by adding the following thereto:

1. The Developer for itself, its successors and grantees, pursuant to Chapter 718, Florida Statutes, declares, dedicates and submits as a common element in fee simple the lands proposed as Phase VIII of HIDEAWAY BAY BEACH CLUB CONDOMINIUM as described on Exhibit "A" attached hereto and made a part hereof and the Condominium Plat recorded in Plat Book 7, Page 82 et seq. of the Public Records of Charlotte County, Florida, so that the lands constitute a common element of HIDEAWAY BAY BEACH CLUB, A CONDOMINIUM, and shall be subject to the terms, conditions, restrictions, reservations, easements, rights, duties and obligations of the Declaration and Plat of HIDEAWAY BAY BEACH CLUB CONDOMINIUM.

2. Phase VIII was the last phase that had not been submitted to condominium ownership. Given the developer's decision to forego construction of units on Phase VIII, and the agreement between the developer and the Association that the lands proposed as Phase VIII would instead be submitted as common elements, Phase VIII shall not be submitted to condominium use. As a result, there shall be 102 condominium units in Hideaway Bay Beach Club, a Condominium, with the percentage share of common expense, and proportionate ownership interest in common elements and common surplus, established as set forth in the Tenth Amendment.

3. Except as modified hereby the Declaration establishing HIDEAWAY BAY BEACH CLUB, A CONDOMINIUM, including the Exhibits attached thereto and made a part thereof, shall remain in full force and effect.

multi-family private residential docking facility at the Hideaway Bay [Beach Club, a] Condominium ("South Dock") as described on Attachment "A" [to the Dock Lease relating to the South Dock]. The preemption area depicted on Exhibit "A" [to the Dock Lease relating to the South Dock] and described above is based upon the average use of the 32 boat slips by equal numbers of 21' and 17' boats. The parties [to the Dock Lease relating to the South Dock] understand and agree that the preemption area is based upon an average use and that it may not accurately reflect the actual usage of the slips at any given point in time.' [Bracketed material added for clarification.]

Notwithstanding any language to the contrary in the Dock Leases, the Board of Trustees of the Internal Improvement Trust Fund, State of Florida (the "Trust"), has agreed that (i) the Dock Leases may be assigned once by Developer to any third party and again by Developer's assignee to the Association or any successor condominium association; (ii) the Trust will not withhold its consent to any such assignment of either or both of the Dock Leases unless Developer or its assignee is in default of its lease obligations under the particular Dock Lease at the time of the assignment; and (iii) the Dock Leases will be renewed at the end of their respective initial ten year terms for a like period unless Developer or its assignee is in default of its lease obligations under the particular Dock Lease at the time of renewal. By its consent to the proposed Amendment to the Declaration of Condominium, the Association hereby agrees to accept any such assignment of either or both of the Dock Leases, and upon such assignment(s) to comply with and perform pursuant to the terms thereof. "Fl"

From the date hereof, the Association will pay lease fees for the Ferry Dock and the South Dock to the Trust pursuant to the Dock Leases in the approximate aggregate amount of \$2,043.44 for the first year of the Dock Leases, and approximately \$1,634.75 for each year subsequent to the first year.

Developer will place buoys along the seagrass lines as depicted on the scale drawing attached hereto as Exhibit "II". The Association will maintain the buoys placed by Developer along the sea grass lines as depicted on the Survey Exhibits attached hereto.

Developer has received Department of Environmental Regulation approvals and will place mooring pilings so as to secure the landing barge Developer employs in connection with any construction on the property. Developer may be required to build a barge landing ramp on the property if the Florida Department of Natural Resources determines that damage is occurring around the submerged lands around the landing site. If constructed, the barge landing ramp on the property will be built in accordance with the scale drawing attached hereto as Exhibit "II" and made a part hereof or in any other configuration mutually agreed upon by Developer and the Florida Department of Natural Resources. Once construction of the residential units and other amenities at Hideaway Bay have been completed, Developer will remove the barge landing ramp.

The property will be subject to a certain conservation easement in the form attached hereto as Exhibit "IV" which Developer will grant to the Trust. After construction of the Initial Slips and Final Slips is completed, Developer or its assign shall mitigate the damages it or its predecessors caused within the area of the conservation easement and to the sovereignty submerged lands. Such mitigation shall include, but will not be limited to, replanting of red and black mangroves, as appropriate, wherever they were damaged or cut,

and any other feasible restoration, at the discretion of the Bureau of Aquatic Preserves."

The South Dock will be reconstructed, reconfigured and extended to encompass a total of 32 slips in accordance with the scale drawing attached hereto as Exhibit "I". Initially, only the first 20 slips on the South Dock will be constructed (the "Initial Slips"); when all future construction to obviate Developer's need to land a barge at the property is completed, the remainder of the 32 slips on the South Dock will be constructed (the "Final Slips"). The remaining portion of the South Dock and the Final Slips will be common elements of the Condominium and will be available no later than seven (7) years from the recording of the Declaration of Condominium. Use of docks is subject to the Association Rules and Regulations.

The Developer also reserves the right to submit phases to condominium ownership out of numerical sequence and such submission out of numerical sequence will not obligate Developer to submit any numerically prior phase. If any and/or all of the Additional Phases are not added to the Condominium, Developer shall not be obligated to provide or make available to the Condominium in any manner all or any portion of such of the Additional Phases as are not added to the Condominium.

II.  
NAME

OR 972 PG 726

The name by which this Condominium is to be known and identified is: HIDEAWAY BAY BEACH CLUB, A CONDOMINIUM.

III.  
LAND

The legal description of the entire Condominium project including all 9 Phases is included in the graphics and entitled MASTER DESCRIPTION, and is attached hereto and marked Exhibit K.

A. Phase I. The legal description of the real property included in Phase I and submitted herewith to Condominium ownership is described in the attached Condominium graphics which is attached hereto as Exhibit "A" and made a part hereof.

B. Phases II through IX. The Developer reserves the right, without obligation, to amend the Condominium Declaration to submit any or all of Phases II through IX to Condominium Ownership and to make such nonmaterial changes in the legal description of the Phase as required. The legal descriptions of the real property which the Developer contemplates will be included in Phases II through IX are described in the attached Condominium graphics which is made a part hereof.

IV.  
IDENTIFICATION OF UNITS

A. Condominium Property. The Condominium Property of each Phase consists of land described in Article III hereto, all easements and rights appurtenant thereto, together with the building and other improvements constructed thereon, which includes the Units, limited common elements and common elements. Each Unit together with its attached balcony or screened porch, is a Condominium Unit and is subject to private ownership. The terms "Condominium Unit", and "Unit" are synonymous. When Phase I is completed, the swimming pool, pool furniture, caretaker's office and apartment, mainland parking area with sun shelter, four docks, dune crossover walkway, not less than 2 golf carts, firehose cart, and ferry boat are to be owned as a common element by all Unit Owners. The Developer will not provide personal property other than the pool furniture, furniture for the caretaker's office and the vehicles listed above. Time share estates will not be created with respect to Units in any Phase.

Phase I. Phase I shall contain 32 Units in 3 two story buildings. The approximate size of the Units will be 1,000 square feet. The Unit numbering system will be described in the Condominium graphic description of improvements, attached as an exhibit hereto, but in no event will any Unit bear the same designation as any other Unit. There will be 2 bedrooms and 2 bathrooms in each Unit.

Phase II through IX. Phases II through IX, inclusive, if constructed, shall contain 10 Units each. The approximate size of the Units will be 1,000 square feet each. The Unit numbering system will be described in the Condominium graphic description of improvements, attached as an exhibit hereto, but in no event will any Unit bear the same designation as any other Unit. It is anticipated that each of the Units will have 2 bedrooms and 2 bathrooms, but the Developer reserves the right to change the floor plans of the Units to accommodate other numerical combinations of bedrooms and bathrooms.

B. Unit Boundaries. Each Unit, which term is used in this sub section concerning boundaries shall include that part of the building containing the Unit that lies within the boundaries of the Unit, which boundaries are as follows:

1. Upper and Lower Boundaries. The upper and lower boundaries of the Unit shall be the following boundaries extended to their planer intersection with the perimetrical boundaries.

(a) Upper Boundary: The horizontal or sloped plane of the unfinished lower surface of the ceiling of the unit as shown in the condominium plat in attached Exhibit K.

(b) Lower Boundary: The horizontal plane of the unfinished upper surface of the first floor of the unit.

(c) Interior Divisions. No part of the nonstructural interior walls shall be considered a boundary of the unit.

2. Perimetrical Boundaries: The perimetrical boundaries of the Unit shall be the vertical planes of the unfinished interior surfaces of the walls bounding the unit extended to their planer intersections with each other and the upper and lower boundaries.

3. Apertures. Where there are apertures in any boundary other than screening, including, but not limited to, windows and doors, such boundaries shall be extended to include the interior unfinished surfaces of such apertures, including all frameworks thereof. Exterior surfaces made of glass, and all framings and casings thereof, shall be included in the boundaries of the unit. Exterior surfaces of screen shall not be included in the boundaries of the Unit.

4. Exceptions. In cases not specifically covered above, and/or in any case of conflict or ambiguity, the survey of the units set forth as Exhibit K hereto shall control in determining the boundaries of a unit, except the provisions of Section 3 above shall control unless specifically reflected on such survey.

C. Condominium Parcel. Each Condominium parcel includes an undivided interest of each Unit Owner in and to the common elements. Each Unit Owner in Phase I shall have as an appurtenance to his Unit an undivided one thirty-second (1/32) interest in the common elements. If Phase II is added, each Unit Owner shall have as an appurtenance to his Unit an undivided one forty-second (1/42) interest in the common elements. If the Developer elects to add additional phases, as each Phase is added to condominium ownership, the fraction shall be changed accordingly so that the numerator shall always be one (1) and the denominator shall equal the number of Units submitted to condominium ownership. Upon the acquisition of a Condominium parcel, a Unit Owner becomes a member in the Condominium Association, with the full voting rights appertaining thereto as described in Article VII (C) of this Declaration.

D. Common Elements and Limited Common Elements:

1. Common Elements.

a. Mainland Parking Areas: Sixty-three (63) Mainland Parking spaces are common elements and will be available for the use of Unit Owners and their guests. The parking area will be lighted and fenced. a. Water for fire fighting and operation of the automatic fire sprinkler system in all of the buildings is provided by an automatic diesel driven fire pump system located on the shore of the West lake. Use of the engine and system is governed by a Contract between Developers of Placida Beach, A Condominium and Hideaway Bay Beach Club, A Condominium. Cost of maintaining this system will be shared with Placida Beach, A Condominium, pro-rated by the number of dwelling Units served and included in the maintenance assessment.

b. A treatment plant with underground drain field located behind Buildings C & H will treat sewage in the Condominium and the plant will be fenced and landscaped. Cost of maintaining and operating this system will be shared with Placida Beach, A Condominium pro-rated by the number of dwelling Units served and will be included in the maintenance assessment.

c. The use of the fire system and a sewage system are subject to the use and cost agreement entered into by the Developer of Hideaway Bay Beach Club, A Condominium and the Developer of neighboring condominiums.

d. MAINLAND DOCK - Developer reserves the right to grant a license or pedestrian easement to Portofino Subdivision (a single family residential subdivision of approximately 37 lots) residents and guests across Parcel III (Mainland Parking Area Parcel) for ingress and egress to the Mainland Dock. V.  
SURVEY, PLOT PLAN AND GRAPHIC  
DESCRIPTION OF IMPROVEMENTS

A. There is recorded simultaneously herewith the Condominium plat for Phase I containing the survey, plot plan, and graphic description of the improvements, showing the Units and common elements, their location and approximate dimensions in sufficient detail to identify them; said survey, plot plan and graphic description of improvements are made a part hereof by reference thereto. If Phases II through IX are completed, a survey of each of those Phases containing the same information will be recorded. The Developer may make nonmaterial changes in the legal descriptions of each Phase.

B. Amendment of Plans.

1. Alteration of Unit Plans. A Unit Owner may purchase two or more units and combine them into one dwelling unit by penetrating the common walls at his expense. The units may be restored to their original design at the Unit Owner's sole cost. The Unit Owner shall have the assessment obligation and voting rights as provided for each of the units before they were combined. Developer reserves the right to change the interior design and arrangement of any or all such Units, and to alter the boundaries between the Units, as long as Developer owns the Units so altered. In addition, Developer reserves the right to change the number of bedrooms and bathrooms, to change the square footage of the Units, to change the location of any building, and to change the number of buildings. No other changes shall alter the boundaries of the common elements without amendment of the Declaration by approval of the Association, all Unit Owners and owners of mortgages in the manner elsewhere provided. If more than one Unit is concerned, the Developer shall apportion between the Units the shares and common elements appurtenant to the Units concerned. The Developer, however, shall not be required to obtain such approval in order to develop Phases II through IX. If Developer makes any changes in Units so authorized for Phase I or for Phases II through IX such changes shall be reflected by an amendment to this Declaration.

2. An amendment of this Declaration reflecting such authorized alteration of Unit plans by Developer shall be signed and acknowledged only by the Developer and need not be approved by the Association, Unit Owners or owners of mortgages of other Units or of the Condominium, whether or not elsewhere required by an amendment. All amendments will be executed and filed in accordance with §718.403(6a through 7), Florida Statutes (1986), as amended.

C. Easements. Developer and the Condominium Association reserve the right to grant easements to utility providers through the Condominium property as may be required for water, electric, sewer and other utility services in order to serve the Condominium adequately provided however, such easements through a Unit shall be only according to the plans and specifications or as approved in writing by the Unit Owner.

D. Amendment of Declaration to Add Additional Phases/Certificate of Surveyor. Construction of Phase II through IX of the Condominium may not be substantially complete when this Declaration is recorded in the Public Records of Charlotte County, Florida, and therefore upon substantial completion of construction of each Phase of the Condominium, the Declaration shall be amended to include a certificate of a surveyor authorized to practice in the State of Florida stating that the construction of that Phase is substantially complete so that the material, (i.e. the condominium instruments, including the plat together with provisions of this Declaration describing the Condominium property), is an accurate representation of the location and dimensions of the improvements and that the identification, location and dimensions of the common elements and of each Unit can be determined from such materials.

VI.

UNDIVIDED SHARES IN THE COMMON ELEMENTS AND SHARE IN THE  
COMMON EXPENSES AND COMMON SURPLUS APPURTENANT TO EACH UNIT

A. Each Unit shall have as an appurtenance thereto an undivided share in the common elements as set forth in Article IVC of this Declaration.

B. Each Unit Owner shall be liable for a proportionate share of the common expenses to the extent of his interest in the common elements, and each Owner shall be entitled to receive the same proportionate share of the common surplus unless otherwise provided in the Bylaws.

VII.

THE ASSOCIATION

OR 972 PG 730

A. The Association responsible for the operation of this Condominium is HIDEAWAY BAY BEACH CLUB CONDOMINIUM ASSOCIATION, INC., a Florida corporation, not-for-profit. The Association shall have all the powers, rights and duties set forth in the Condominium Act, as well as the powers and duties set forth in the Declaration, the Bylaws and the regulations enacted pursuant to such Bylaws. The Association is sometimes referred to herein as the "Association" or the "Condominium Association". A copy of the Articles of Incorporation and Bylaws of the Association are attached hereto and made a part hereof and marked Exhibits B and C, respectively.

B. Every Owner of a present vested interest in a Condominium parcel, whether he has acquired title by purchase from the Developer, the Developer's grantee, successors, or assigns, or by gift, conveyance or by operation of laws, is bound to and hereby agrees that he shall accept membership in the Condominium Association and does hereby agree to be bound by this Declaration, the Bylaws of the Condominium Association and the rules and regulations enacted pursuant thereto and the provisions and requirements of the Condominium Act and of lawful amendments thereto. Membership runs with each Unit and is not severable from ownership of the Unit.

C. The Owner of every Condominium parcel shall accept ownership of said parcel subject to restrictions, easements, reservations, conditions and limitations now of record and affecting the land and improvements constituting Condominium Property. Owners of each Unit shall collectively be entitled to one voting interest and if a Unit is owned by more than one person, then the person entitled to such voting interest shall be determined as follows: A written statement under oath must be filed with the Secretary of the Condominium Association and signed by members with present vested interest to which they are entitled. The person so designated by the persons owning the majority interest in a Unit shall be known as the voting member and shall be the only member owning a voting interest in that Unit eligible to cast the vote for said Unit at membership meetings. The person designated as the voting member may continue to cast the binding vote for all members owning an interest in the Unit in which he owns an interest until such time as another person is properly designated as the voting member by those members owning the majority interest by a similar written statement filed with the secretary. Notwithstanding the foregoing provisions, voting by proxy is permitted in accordance with §718.112(2)(b)1, Florida Statutes (1986), as amended. When a Unit is owned by a Corporation, the Corporation president or vice-president shall execute the written statement designating which Corporation officer shall

have the voting interest. In absence of a written statement, the president shall be deemed as having the voting interest.

D. The number of voting interests shall not exceed the number of Units in each Phase, so that initially, there shall be 32 voting members. If the Condominium Declaration is amended by adding Phases II through IX then there shall be no more members than the total number of completed Units, the maximum number being 112 after all the Phases are completed. The minimum number being 32 if only Phase I is completed. Each voting member shall have one voting interest. A corporation or an individual with a voting interest in more than one Unit may be designated as the voting member of each such Unit. The number of voting interests will be determined by using the following formula: The numerator shall always be one (1) and the denominator shall equal the total number of units actually constructed and submitted to Condominium ownership.

E. All the affairs, policies, regulations and property of the corporation shall be controlled and governed by the Board of Directors of the corporation consisting of the number of Directors to be determined by the Bylaws, but not less than three (3) Directors, who are all to be elected annually by the members entitled to vote. The terms "Board of Directors" and "Board of Administration" are synonymous.

F. It shall be the duty of the Condominium Association to provide through its agents and employees for the administration, operation, maintenance, repair and replacement of the common property; to make reasonable uniform rules and regulations from time to time, as well as to perform all other duties expressly or impliedly set forth herein. The first election of Directors shall be held in accordance with Article 5, of the Articles of Incorporation, subject to the limitations set forth in §718.301, Florida Statutes (1986), as amended. The Directors named in the Articles of Incorporation of the Condominium Association shall serve until the first election of Directors, and any vacancies in their number occurring before the first election shall be filled by the remaining Directors.

G. Limitation upon liability of Association. Notwithstanding the duty of the Association to maintain and repair parts of the Condominium property, the Association shall not be liable to Unit Owners for injury or damage, other than the cost of maintenance and repair, caused by any latent condition of the property to be maintained and repaired by the Association, or caused by the elements or other persons or Owners.

H. Restraint upon assignment of shares in assets. The share of a member in the funds and assets of the Association cannot be assigned, hypothecated or transferred in any manner except as an appurtenance to his Unit.

I. The Association has the power to acquire title to property or otherwise hold property for the use and benefit of its members.

#### VIII. AMENDMENT TO DECLARATION

Except as to the provisions of §718.403, Florida Statutes (1986), as amended, this Declaration of Condominium may be amended as follows:

A. Notice. Notice in writing of the subject matter of a proposed amendment shall be included in the notice of any meeting at which a proposed amendment is considered. The format of the notice shall conform to §718.110(1), Florida Statutes (1986), as amended.

B. A resolution for the adoption of a proposed amendment may be approved by the Board of Directors of the Association until the Turnover Date (as defined in the Bylaws) and thereafter by not less than fifty-one percent (51%) of the voting interests of the Association. Such approvals shall be either by:

1. Until the transfer of Association control pursuant to Florida Statute 718.301 (1986) by a majority of the Directors, provided the

amendment does not increase the number of Units nor alter the boundaries of the common elements; or,

2. After transfer of such control by not less than fifty-one (51%) percent of the voting interests of the entire membership of the Association.

C. 1. No provision of the Declaration shall be revised or amended by reference to its title or number only. Proposals to amend existing provisions of the Declaration shall contain the full text of the provision to be amended; new words shall be inserted in the text underlined; and words to be deleted shall be lined through with hyphens. However, if the proposed change is so extensive that this procedure would hinder, rather than assist, the understanding of the proposed amendment, it is not necessary to use underlining and hyphens as indicators of words added or deleted, but, instead, a notation must be inserted immediately preceding the proposed amendment in substantially the following language: "Substantial rewording of Declaration. See provision \_\_\_\_\_ for present text." Nonmaterial errors or omissions in the amendment process shall not invalidate an otherwise properly promulgated amendment.

2. If there is an omission or error in a Declaration of Condominium, or in other documents required by law to establish the Condominium, the Association may correct the error or omission by an amendment to the Declaration, or the other documents required to create a Condominium by vote of a majority of the voting interests. The amendment is effective when passed and approved and a certificate of the amendment is executed and recorded as provided in §718.104 Florida Statute. This procedure for amendment cannot be used if such an amendment would materially or adversely affect property rights of Unit Owners, unless the affected Unit Owners consent in writing. This sub-section does not restrict the powers of the Association to otherwise amend the Declaration, or other documentation, but authorizes a simple process of amendment requiring a lesser vote for the purpose of curing defects, errors, or omissions when the property rights of Unit Owners are not materially or adversely affected.

D. Proviso. No amendment shall discriminate against any Unit Owner or against any Unit or class or group of Units, unless the Unit Owners so affected shall consent; and no amendment shall change any Unit nor the share in the common elements appurtenant to it, nor increase the Owner's share of the common expense, unless the record owner of all Units concerned and all record owners of mortgages on such Units shall join in the execution of the amendment. Neither shall an amendment make any changes in the section entitled "Insurance" nor in the section entitled "Reconstruction or Repair After Casualty" unless the record owners of all mortgages upon the Condominium shall join the execution of the amendment. No amendment shall affect the Developer without the Developer's consent.

E. Execution and Recording. A copy of each amendment shall be attached to a certificate certifying that the amendment was duly adopted, which certificate shall be executed by the Officers of the Association with the formalities of a deed. The amendment shall be recorded in the Public Records of Charlotte County, Florida.

F. Directors shall be permitted to vote only if present at the meeting at which an amendment is considered, and members may vote either in person or by proxy.

The operation of the Condominium Property shall be governed by the Bylaws which are annexed to this Declaration as Exhibit C and made a part hereof. The Bylaws may be amended in the manner set forth therein.

#### IX.

#### PURPOSE AND USE RESTRICTIONS

Condominium Units shall be used and occupied by the respective Owners thereof, as private single family residents, for themselves, their families, tenants and social guests, and for no other purpose.

In order to provide for a congenial occupation of the Condominium and to provide for the protection of the value of the Units, the use of the property shall be restricted to and be in accordance with the following provisions:

A. The Units shall be for residential use only and maintained in a clean and sanitary manner.

B. The common elements shall be used for the furnishing of services and facilities for which they are reasonably intended, for the enjoyment of the Unit Owners, and subject to such regulation by rules and Bylaws and existing contracts as may in the opinion of the Condominium Association achieve the maximum beneficial use thereof.

C. Persons under the age of seventeen (17) years of age shall not be permitted to occupy any of the units of the Condominium unless under the supervision of an adult, except to the extent and under such conditions as the Condominium Association may provide by regulation.

D. Nuisances. No nuisances shall be allowed upon the Condominium property, nor any use or practice that is the source of annoyance to residents or which interferes with the peaceful possession and proper use of the property by its residents. All parts of the Condominium shall be kept in a clean and sanitary condition, and no rubbish, refuse or garbage shall be allowed to accumulate nor any fire hazard allowed to exist. No Unit Owner shall permit any use of his Unit or make any use of the common element that will increase the cost of insurance upon the Condominium property.

E. Lawful Use. No immoral, improper, offensive or unlawful use shall be made of the Condominium Property nor any part of it; and all valid laws, zoning ordinances and regulations of all governmental bodies having jurisdiction shall be observed. The responsibility of meeting the requirements of governmental bodies for maintenance, modification or repair of the Condominium property shall be the same as the responsibility for the maintenance and repair of the property concerned.

F. Signs. No "for sale" or "for rent" signs or other signs shall be displayed by any individual Unit Owner on his Condominium parcel, or any part of the Condominium Property, nor shall any external television or radio antennas be erected upon or affixed to the Condominium Property or Unit buildings.

G. Pets. Pets or other animals may be kept in Units and allowed on the common property only under such regulations established by the Association. At present, there are no expressed limitations against pets. Pets that become a nuisance as determined by the Condominium Association Board must be removed from the condominium by order of the Board.

H. Leasing. An entire Unit may be rented provided occupancy is only by the lessee and his family, servants and guests. No rooms may be rented except as a part of the entire Unit or to another Unit Owner. The Board shall have the right to approve all leases whose duration exceeds thirty days. Said approval or disapproval shall be made within fifteen (15) days of any request therefore and any lease for which an approval is not given shall be null and void. The Board shall have the right to delegate its authority to approve or disapprove leases to the caretaker from time to time. Rentals of less than 30 days shall be arranged by the owner only and the tenants shall be compatible with the Unit Owners.

I. Guests. All guests and tenants must comply with the Association regulations and the Board shall have the right to terminate a lease and evict a tenant who fails to comply with the regulations of the Association.

J. Regulations. Reasonable regulations concerning the use of the Condominium Property may be made and amended from time to time by the Board of Directors of the Association; copies of such regulations and amendments thereto shall be furnished by the Association to all Unit Owners. Any regulation so adopted may be rescinded, amended or altered by the membership in the same manner set forth in Article VIII B of this Declaration.

K. Proviso. Until the Developer has completed all of the contemplated improvements and closed the sales of all of the Units of the Condominium, neither the Unit Owners nor the Association shall interfere with the completion of the contemplated improvements and the sale of the Units, inasmuch as the Developer will have a substantial economic interest in the Condominium development until all Units are sold. The Developer may make such use of the unsold Units and common areas as may facilitate such completion and sale, including but not limited to, maintenance of a sales office, the showing of the property and the display of signs. Developer may utilize unsold units as hospitality suites for prospective purchasers.

#### X. CONVEYANCES

In order to assure a community of congenial residents and thus protect the value of the Unit, and to further the continuous harmonious development of the Condominium community, the sale, lease, mortgage of Units shall be subject to the following provisions which shall be subject to the Condominium form of ownership under the laws of the State of Florida.

##### A. SALES

1. Except as set forth hereinafter in this Article X, if any Unit Owner desires to sell his Unit or any interest therein, and shall have received a bona fide offer for such sale, the Association shall be given written notice hereof, together with an executed copy of such offer. The Condominium Association (or its assignee) shall have the right to purchase such Unit or interest therein upon the same terms and conditions as set forth in the offer therefor, provided written notice of such election is given to the Unit Owner and a matching down payment or deposit (if such is required by the terms of such offer) is provided to the Unit Owner within fifteen (15) days following the delivery to the Condominium Association of such notice and a copy of such offer said time to be of the essence. If the Condominium Association (or its assignee) shall elect not to purchase a Unit or an interest therein pursuant to this Article X A 1 the Condominium Association shall deliver to the Unit Owner, within the fifteen (15) day period heretofore provided, a certificate executed by any officer of the Condominium Association.

2. If the Association (or its assignee) shall elect to purchase any Unit or any interest therein pursuant to Article X A 1 hereof, title shall close on the date specified in the bona fide offer to purchase, or, if no date is specified in said offer, on a date forty-five (45) days after giving of notice by the Association (or its assignee) of its election to purchase said Unit.

3. The provisions of Article X A 1 hereof shall not apply to:

- (a) Any sale of a Unit of which Developer is the Unit Owner;
- (b) Any transfer of any Unit by gift, devise, or inheritance;
- (c) The sale of any Unit by a Unit Owner to his spouse, his child, his parent, the parent of his spouse, his brother or sister, the brother or sister of his spouse, or the spouses of any of the foregoing.

4. The failure by the Association to exercise its rights pursuant to Article X A 1 hereof with respect to any particular bona fide offer to purchase a particular Unit shall not constitute a waiver of such right with respect to any subsequent bona fide offer to purchase or lease the particular Unit or any other Unit.

5. If any Unit Owner attempts to sell his Unit without giving the Association the notice required by Article X A 1 hereof, such attempted sale shall be void and shall confer no title or interest whatsoever upon the intended purchaser..

6. Except as otherwise prohibited by law, the Association may from time to time assign its rights pursuant to Article X A 1 hereof to any individual or entity that the Association shall select.

B. Since the Condominium may be used only for residential purposes and a Corporation cannot occupy a Unit for that use, the approval of ownership of a Unit by a Corporation may be conditioned by requiring that persons occupying the Unit be approved by the Association.

C. Notwithstanding anything to the contrary herein, the provisions of this article shall not be applicable to purchasers at foreclosure or other judicial sales to transferees of institutional first mortgages nor to the Developer until after the Developer has initially conveyed or disposed of all Units.

D. Within 15 days after request by a Unit Owner or Unit mortgagee, the Association shall provide a certificate stating all assessments and other moneys owed to the Association by the Unit Owner with respect to the Condominium parcel. Any person other than the Unit Owner who relies upon such certificate shall be protected thereby.

#### XI. RIGHTS OF HEIRS AND DEVISEES OF DECEASED UNIT OWNERS

A. If the Owner of a Condominium parcel should die and the title to his parcel passes to his heirs under this will or by the laws of intestacy, then such successor in title shall fully succeed to the ownership, rights, duties, and obligations of the Unit Owner, the provisions of Article X of this Declaration notwithstanding. The Association shall have the right to require reasonable evidence demonstrating who has taken title upon the death of the Unit Owner.

B. Nothing in this Article shall be deemed to reduce, forgive or abate any amounts due the Association from the Unit Owner at the time of his death, nor the assessments attributable to the Unit becoming due after the Unit Owner's death, all of which shall be fully due and payable as if the Unit Owner had not died.

C. Nothing herein shall prevent the sale and transfer of a Condominium parcel by the Owner thereof in the manner otherwise provided in this Declaration.

#### XII. ASSESSMENTS

The Condominium Association, through its Board of Directors shall have the power to make and collect assessments, special assessments, club dues, and such other assessments as are provided for by the Condominium law, this Declaration and the Bylaws.

A. Budget. The Board of Directors of the Association shall propose the annual budget in advance for each fiscal year. The budget shall project anticipated income and estimated expenses. Common expenses shall include but shall not be limited to, costs and expenses of operation, maintenance and management, property taxes and assessments as made against the Condominium parcels individually and thereafter only as to such taxes or assessments, if any, as may be assessed against the Condominium as a whole, insurance premiums for fire, windstorm, flood and extended coverage insurance on the Condominium real property and Condominium personal property, premiums for public liability insurance, legal and accounting fees, management fees, operating expenses of the property and the corporation; maintenance, repairs and replacement (but only as to the common elements, except for emergency repairs or replacements deemed necessary to protect the common elements), charges for utility and water used in common for the benefit of the Condominium; cleaning and janitorial service for the common elements; expenses and liabilities incurred by the corporation in and for the enforcement of its rights and duties against the members or others; and the creation of reasonable contingency or reserve requirements for the protection of the members, and the Condominium Property (e.g., reserves for replacements, operating reserves to cover

deficiencies in collections), and all other expenses designated as common expenses by Chapter 718, Florida Statutes (1986), as amended, this Declaration or the Bylaws of the Association.

1. If a meeting of the Unit Owners has been called and a quorum is not attained or a substitute budget is not adopted by the Unit Owners, the budget adopted by the Board of Directors shall go into effect as scheduled.

2. If a meeting of the Unit Owners has been called to determine to provide no reserve or reserves less adequate than required, and such result is not attained or a quorum is not attained, the reserves, as included in the budget, shall go into effect.

B. Copies of the proposed annual budget of common expenses shall be mailed to the Unit Owners not less than fourteen (14) days prior to the meeting at which the budget will be considered, together with a notice of that meeting. The Board of Directors will prepare the proposed annual budget of common expenses, and the Unit Owners shall consider the budget at the annual meeting or at such other meeting as may be provided in the Bylaws. At the annual meeting when the budget is considered, the voting members of the Association shall have the power to modify or amend the budget, and shall then adopt the annual budget.

C. After adoption of a budget and determination of the annual assessment per Unit, the Association shall assess such sum by promptly notifying all Owners by delivering or mailing notice thereof to the voting member representing each Unit at such member's most recent address as shown by the books and records of the Association. Quarterly assessments shall be due and payable in advance to the Association beginning January 1st and each 3 months thereafter, regardless whether or not members are sent or actually receive written notice thereof. Each Unit Owners in Phase I will be assessed an undivided one thirty-second (1/32) interest in the common elements. As each Phase is added to Condominium Ownership, the fraction shall be changed accordingly so that the numerator shall always be one (1) and the denominator shall equal the number of Units submitted to Condominium Ownership. In addition, the Corporation shall have the power to levy equal special assessments against each Unit if necessary to cover the aforesaid types of expenses and shall have the power to levy other special assessments as provided herein.

D. The record Owners of each Unit shall be personally liable, jointly and severally, to the Association for the payment of all assessments, regular or special, made by the Association and for all costs for collecting delinquent assessments. All assessments and installments not paid when due shall be charged interest at the maximum interest rate that is allowed by law. In the event assessments against a Unit are not paid within sixty (60) days after their due date, the Association shall have the right to file a lien as provided in Article XIV of this Declaration. The Board of Directors shall have the authority to assess a late charge for all assessments that are unpaid for over thirty (30) days after due. The late charge or fine will not become a lien against the Unit nor will it exceed \$50.00 per infraction nor may the late charge be a levy except after giving a reasonable notice and opportunity for a hearing to the Unit Owner, and if applicable, it's licensee or invitee.

E. Should the Association through its Directors at any time determine that the assessments made are not sufficient to pay the common expenses, or in the event of emergencies, the Board of Directors shall have the authority to levy and collect additional assessments to meet such needs of the Association. The specific purpose or purposes of any special assessment approved in accordance with the Condominium Documents shall be set forth in a written notice of such assessment sent or delivered to each Unit Owner. The funds collected pursuant to a special assessment shall be used only for the specific purpose or purposes set forth in such notice, or returned to the Unit Owners. However, upon completion of such specific purpose or purposes, any excess funds shall be considered common surplus.

F. The Association shall not charge any fee against a Unit Owner for the use of common elements or Association property unless such use is the subject of a lease between the Association and the Unit Owner.

**XIII.  
MAINTENANCE AND REPAIR**

Responsibility for the maintenance of the Condominium Property and restrictions upon its alteration and improvement, shall be as follows:

A. The Owner of each Condominium Unit, at his own expense shall see to, maintain, repair, replace and be responsible for the maintenance of his Unit, all equipment and fixtures therein, including but not limited to all air conditioning equipment used in or appurtenant to that Unit and the Limited Common Element parking space and storage area appurtenant to the unit, and must promptly correct any condition which would, if left uncorrected, cause any damage to another Unit or a Limited Common Element appurtenant to another unit, and shall be responsible for any damaged caused by his non-action. All work shall be done without disturbing the rights of other Unit Owners. Furthermore, the Owner of each Unit shall, at his own expense, be responsible for the upkeep and maintenance, including but not limited to painting, replastering, sealing and polishing of the interior finished surfaces of the perimeter walls, ceiling and floor which constitute the boundary lines of the Unit (including the attached balconies, porches or patios, where applicable) and such Owner shall at his own expense maintain and replace when necessary all all glass in windows and doors in the perimeter walls of the Unit. The Unit Owner shall promptly report to the Association any defect or need for repairs for which the Association is responsible.

B. The Association shall be responsible for and shall see to the maintenance, repair and operation of the common elements of the Condominium, including but not limited to all portions of a Unit, except interior surfaces, contributing to the support of the Unit building, which portions shall include but not be limited to load bearing columns and load bearing walls; all conduits, screens, ducts, plumbing, wiring and other facilities for the furnishing of utility services contained in the portions of a Unit maintained by the Association; and all such facilities contained within a Unit that service part or parts of the Condominium other than the Unit within which contained; and, all incidental damage caused to a Unit by such work shall be repaired promptly at the expense of the Association. The painting, decorating or changing of any portion of the exterior of the Unit building shall be the responsibility of the Association, and not the individual Unit Owner. However, the replacement and repair of Unit exterior surfaces excluding screens, but including doors and windows shall be at Unit Owners expense and subject to Association written approval, if such replacement or repair changes or alters the existing exterior appearance. The Association shall have all powers necessary to discharge these responsibilities, and may exercise these powers exclusively if it so desires, or may delegate them as elsewhere provided for in this Declaration and the Bylaws of the Association so long as the unit owner does not have any authority to act for the Association by reason of being a Unit Owner.

C. The maintenance and operation of the common elements shall be the responsibility of the Association and shall be a common expense. In the event the Association fails to maintain the common property in accordance with its obligations hereunder, any Owner of an interest in any Unit shall have the right to seek specific performance in a court of equity to compel the Association to do so.

D. In the event Owners of a Unit fail to maintain the Unit and/or the Limited Common Element appurtenant to the Unit as required herein, or make any additions or alterations to common elements without the required written consent, the Association or an Owner with an interest in any Unit shall have the right to proceed in a court of equity to seek compliance with the provisions hereof. In the alternative, the Association shall have the right to levy, at any time, a charge against the Owners of the Unit and the Unit for the necessary sums to put the improvements within the Unit in good condition and repair or to remove any such authorized addition or alteration. The Association shall have the right to have its employees and agents enter the Unit during reasonable hours when necessary for the maintenance, repair, or replacement of any common elements or for making emergency repairs which are necessary to prevent damage to the common elements or to another unit or units.

**XIV.  
LIEN OF THE ASSOCIATION**

A. The Association shall have a lien on each Condominium parcel for any unpaid assessments, interest, costs and attorneys fees against the Unit Owner of such Condominium parcel. Said lien shall also secure reasonable attorney's fees incurred by the Association incident to collection of such assessment or enforcement of such lien. Said lien shall be effective from and after the time of recording in the Public Records of Charlotte County, Florida, of a claim of lien stating the description of the condominium parcel, the name of the record Owner, the amount due and the date when due. Such claims of liens shall secure all unpaid assessments, interest, costs, and attorney's fees which are due and which may accrue subsequent to the recording of the claim of lien and prior to the entry of a final judgment or foreclosure. Such claims of liens shall be signed and verified by an officer or agent of the Association and shall then be entitled to be recorded. Upon full payment the party making payment shall then be entitled to a recordable satisfaction of the lien. All such liens shall be subordinate to the lien of an institutional first mortgage recorded prior to the time of recording of the claim of lien. No such lien shall continue for a longer period than one (1) year after the claim of lien has been recorded, unless within that time an action to enforce the lien is commenced in a court of competent jurisdiction. The claim of lien shall secure all unpaid assessments, interest, costs, and attorney's fees which are due and which may accrue subsequent to the recording of the claim of lien and prior to entry of a final judgment of foreclosure. Interest on any assessments and installments not paid when due will accrue at the maximum rate allowed by law.

B. When the mortgagee of any mortgage of record, or other purchaser, of a condominium unit obtains title to the condominium parcel as a result of a deed in lieu of foreclosure or by a purchase at the public sale resulting from the mortgage's foreclosure judgment in a foreclosure suit in which the association has been properly named as a defendant junior lienholder, such acquirer of title and his successors and assigns is not liable for the share of the common expenses or assessments attributable to the condominium parcel or chargeable to the former unit owner of the parcel which became due prior to acquisition of title as a result of foreclosure, unless the share is secured by a claim of lien for assessments that was recorded prior to the recording of the foreclosed mortgage. The unpaid share of common expenses or assessments are common expenses collectible from all of the unit owners, including such acquirer and his successors and assigns. Any mortgagee acquiring title to a condominium parcel as a result of foreclosure, or a deed in lieu of foreclosure, may not, during the period of its ownership of such parcel, whether or not such parcel is unoccupied, be excused from the payment of some or all of the common expenses coming due the period of such ownership.

C. Any person purchasing or encumbering a Unit shall have the right to rely upon any statement made in writing by an Officer of the Association regarding assessments against Units which have already been made and which are due and payable to the Association, and the Association and the members shall be bound thereby. The Association shall provide a certificate stating all assessments and other moneys owed to the Association by the Unit Owner with respect to the Condominium parcel. Any person other than the Owner who relies upon such certificate shall be protected thereby. The Association may, at any time, require Owners to maintain a minimum balance on deposit with the Association to cover future assessments. Said deposit shall be uniform for all Units.

**XV.  
TAXATION**

Whenever a tax is assessed against the Condominium Property as a whole, instead of against each parcel, it shall be treated as a common expense, in accordance with the provisions of Article XII.

**XVI.  
ALTERATIONS OF UNITS**

No Owner of a Condominium Unit shall make or cause to be made substantial and material alterations, improvements or additions to the common elements, except in accordance with the following provisions:

A. A special meeting of all of the Unit Owners may be called for the purpose of acting upon the proposal for such substantial alteration, improvement or addition, upon not less than ten (10) days nor more than fourteen (14) days written notice.

B. Seventy-five (75%) percent of all the voting interests shall vote in favor of the proposal in person or by proxy.

C. If approved each Unit Owner shall be assessed his proportionate cost of such alteration, improvement or addition based upon that Owner's interest in the common elements.

**XVII.  
PROHIBITION OF FURTHER SUBDIVISION  
AND WAIVER OF PARTITION**

A. The space within any of the Unit and common property shall not be further subdivided. An undivided interest in the common property is hereby declared to be appurtenant to each Unit and such undivided interest shall not be conveyed, devised, encumbered or otherwise dealt with separately from the Unit and such interest shall be deemed conveyed, devised, encumbered or otherwise included with the Unit even though such interest is not expressly mentioned or described in the conveyance or other instrument. Any instrument, whether a conveyance, mortgage or otherwise, which describes only a portion of the space within any Unit shall be deemed to describe the entire Unit owned by the person executing such instrument and an interest in the entire areas described as common property which is appurtenant to such Unit. Any instrument subsequent to the Developer's conveyance conveying, transferring, or encumbering an undivided percentage interest in the common property which is appurtenant to such Unit owned by the person executing such conveyance or encumbrance, and any instrument not in accordance with this Article shall not be effective and shall be deemed null and void, ab initio.

**XVIII.  
LIABILITY, FIDELITY, AND  
WORKMAN'S COMPENSATION INSURANCE**

A. The Board of Directors of the Association shall obtain liability insurance in such amount as the Board of Directors may determine from time to time for the purpose of providing liability insurance coverage for the common elements of this Condominium. The Board of Directors shall collect and enforce the payment of the premium for such insurance from each Unit Owner to the extent of his share in the common elements. Each individual Unit Owner shall be responsible for the purchasing of liability insurance for accidents occurring in his own Unit or for which he may be liable. In accordance with the provisions of the Condominium Act, the liability of a Unit Owner for common expense shall be limited to amounts for which he is assessed from time to time in accordance with the Condominium Act, this Declaration and the Bylaws. The Owner of a Unit may be personally liable for the acts or omissions of the Association in relation to the use of the common elements, but only to the extent of his pro rata share of that liability in the same percentage as his interest in the common elements. In any legal action in which the Association may be exposed to liability in excess of insurance coverage protecting it and the Unit Owners the Association shall give notice of the exposure with a reasonable time to all Unit Owners, and they shall have the right to intervene and defend. A Unit Owner shall be liable for injuries or damages resulting from an accident in his own Unit to the same extent and degree that the Owner of a dwelling house would be liable for an accident occurring therein.

B. Policies of fidelity and liability insurance, insuring the Condominium Association against personal liability of the directors, officers, managers, trustees, employees or volunteers of the Condominium

Association arising in connection with the performance of their duties, including dishonesty in connection with the funds of the Condominium Association, and against all other persons handling or responsible for funds of or administered by the Condominium Association, in an amount no less than one and one-half times the estimated annual operating expenses and reserves of the Condominium Association; provided that in no event shall the coverage for each officer or director who controls or disburses the funds of the Condominium Association be in an amount less than \$10,000.00. Such policies shall contain waivers by the issuers of such policies of all defenses based upon the exclusion of persons serving without compensation from the definition of "employees", or similar terms or expressions.

C. Such worker's compensation insurance as is required by law.

D. Such other insurance as the Condominium Association may require, including, but not limited to, Casualty Insurance as presented in Article XIX of this Declaration of Condominium.

**XIX.  
PROVISIONS FOR CASUALTY INSURANCE,  
PAYMENT OF PROCEEDS, RECONSTRUCTION**

A. Purchase of Insurance. The Board of Directors of the Association shall keep insured the Condominium Property, including the entire buildings erected upon the Condominium land, all fixtures and personal property appurtenant thereto, and all Units contained therein, and for the interest of the Association, all Unit Owners and their mortgagees, as their interest may appear, in an amount which shall be equal to the maximum insurable replacement value as determined annually by the insurance carrier, against loss or damage by fire and extended covered hazards covered by a standard coverage endorsement, windstorm insurance and flood insurance. The word building as used in this paragraph shall be defined in §718.111(11), Florida Statutes (1986), as amended. The policy shall provide the carrier with the right to subrogate against anyone. The Association shall have rights of subrogation for deductibles and deficiencies.

B. Assured and Loss Payable. All casualty insurance policies purchased by the Association hereunder shall be for the benefit of the Association, all Unit Owners and their mortgages as their interest may appear, and shall be paid to a Florida bank or trust company having trust powers selected by the Board of Directors of the Association who shall act as the Insurance Trustee and it shall be the duty of the Insurance Trustee to receive such proceeds as are paid to them and to hold the same in trust pursuant to the terms of this Declaration.

C. Payment of Premiums. The Board of Directors shall collect and pay the premiums for casualty insurance as part of the common expense for which assessments are paid. Each Unit Owner shall pay and be responsible for casualty insurance premiums and all fees and expenses of the Insurance Trustee in the same manner as all other assessments.

D. Reconstruction or Repair After Casualty. If any part of the Condominium Property shall be damaged by casualty, whether or not it shall be reconstructed or repaired shall be determined in the following manner:

1. Common Element. If the damaged improvement is a common element, the damaged property shall be reconstructed or repaired, unless it is determined in the manner elsewhere provided that the Condominium should be terminated.

2. Unit Building. The word building shall not include floor coverings, wall coverings or ceiling coverings.

(a) Lesser Damage. If the damaged improvement is the Unit building, and if Units to which fifty percent (50%) of the common elements are appurtenant are found by the Board of Directors of the Association to be tenantable, the damaged property shall be reconstructed or repaired unless within sixty (60) days after the casualty it is determined by agreement in the manner elsewhere provided that the Condominium should be terminated.

(b) Major Damage. If the damaged improvement is the Unit building, and if Units to which more than fifty percent (50%) of the common elements are appurtenance are found by the Board of Directors to be not tenantable, then the damaged property will not be reconstructed or repaired and the Condominium will be terminated without agreement as elsewhere provided unless within sixty (60) days after the casualty the Owners of seventy five percent (75%) of the common elements and their mortgagees agree in writing to such reconstruction or repair.

(c) Any reconstruction or repair must be substantially in accordance with the plans and specifications for the original building, or if not, then according to plans and specifications approved by the Board of Directors of the Association and if the damaged property is the Unit building, by the Owners of not less than seventy five percent (75%) of the common elements, including the Owners of all damaged Units and their mortgagees, which approval shall not be unreasonably withheld.

(d) If the damage is only to those parts of one Unit for which the responsibility of maintenance and repair is that of the Unit Owner, then the Unit Owner shall be responsible for reconstruction and repair after casualty. In all other instances the responsibility of reconstruction and repair after casualty shall be that of the Association. Immediately after a determination is made to rebuild or repair damage to property for which the Association has the responsibility of reconstruction and repair, the Association shall obtain reliable and detailed estimates of the costs to rebuild or repair.

(e) If the net proceeds of the insurance are insufficient to pay the estimated cost of reconstruction and repair, the Board of Directors shall promptly, upon determination of deficiency, levy a uniform special assessment against all Unit Owners for the deficiency.

(f) If any of the insurance policies have deductible amounts, the Board of Directors shall levy a uniform special assessment to all unit owners for the deductible amount.

3. Disbursement of Funds. The funds for payment of costs for reconstruction and repair after casualty, which consist of proceeds of insurance held by the Insurance Trustee and funds collected by the Association from assessments against the Unit Owners, shall be disbursed in payment of such costs in the following manner:

(a) Association. If the total of assessments paid by the Association in order to provide funds for payment of costs of reconstruction and repair that is the responsibility of the Association is more than \$5,000.00, then the sums paid upon such assessments shall be deposited by the Association with the Insurance Trustee. In all other cases the Association shall hold the sums paid upon such assessments and disburse them in payment of the costs of reconstruction and repair.

(b) Insurance Trustee. The proceeds of insurance collected on account of a casualty, and the sums deposited with the Insurance Trustee by the Association from collections of assessments against Unit Owners on account of such casualty shall constitute a construction fund which shall be disbursed in payment of the costs of reconstruction and repair in the following manner and order:

(i) Association-Lesser Damage. If the amount of the estimated costs of reconstruction and repair that is the responsibility of the Association is less than \$50,000.00, then the construction fund shall be disbursed in payment of such costs upon the order of the Board of Directors of the Association; provided, however, that upon request to the Insurance Trustee by the mortgagee that is beneficiary of an insurance policy the proceeds of which are included in the construction fund, such funds shall be disbursed in the manner provided for in the major-damage section.

(ii) Association-Major Damage. If the amount of the estimated costs of reconstruction and repair that is the responsibility of the Association is more than \$50,000.00, then the construction fund shall be disbursed in payment of such costs in the manner required by the Board

of Directors of the Association and upon written approval of an architect qualified to practice in Florida and employed by the Association to supervise the work.

(iii) Unit Owner. The portion of insurance proceeds representing damage for which the responsibility of reconstruction and repair lies with a Unit Owner shall be paid by the Insurance Trustees to the Unit Owner or if there is a mortgagee endorsement as to the Unit, then to the Unit Owner and the mortgagee jointly, who may use such proceeds as they may be advised.

(iv) Surplus. It shall be presumed that the first monies disbursed in payment of costs of reconstruction and repair shall be from insurance proceeds. If there is a balance in a construction fund after payment of all costs of the reconstruction and repair for which the fund is established, such balance shall be distributed to the beneficial Owners of the fund in the manner stated; except however, that the part of distribution to a beneficial Owner that is not in excess of assessments paid by such Owner into the construction fund shall not be made payable to any mortgagee.

4. Rights of Mortgagees. If any first mortgagee of any Condominium Unit shall require it, the Association shall from time to time deposit in a savings account established for the purpose, sufficient monies in escrow to insure the payment of the casualty insurance premiums insuring the Condominium Property. A majority of such mortgagees as herein above defined may designate the bank or savings and loan Association as a depository for these funds and may determine the provisions of the escrow, but only one such escrow account shall be required. However, the Association shall not be required to fund this escrow more frequently than once a month nor deposit therein from month to month an amount greater than one-twelfth (1/12) of the reasonably estimated casualty insurance premium next due, per month. Any mortgagee in any mortgage which in accordance with the provisions of the mortgage shall have the right to demand insurance proceeds in the event of a casualty loss to the property secured by said mortgage waives the right to such proceeds if the proceeds are used pursuant to this Declaration of Condominium to repair, replace or restore the property subject to the mortgage lien. However, nothing herein shall be deemed a waiver by the mortgagee, of its rights, if any, to require that any surplus proceeds over and above the amounts actually used for repair, replacement or reconstruction of the property subject to the mortgage, be distributed to the mortgagee and the Unit Owners as their interests may appear.

5. Association as Agent. The Association is hereby irrevocably appointed agent for each Unit Owner to adjust all claims arising under insurance policies purchased by the Association, and to execute releases therefore.

#### XX. MORTGAGES

A. A Unit Owner who mortgages his Condominium parcel must notify the Association of the name and address of the mortgagee, and the Association shall maintain such information in a register which shall, among other things, contain the names of all of the Owners of Condominium parcels and the names of mortgagees. Failing to notify the Association of the existence of a mortgage shall in no way impair the validity of the mortgage. The Association shall, at the request of a mortgagee, report any unpaid assessments due from the Owner of a Condominium parcel.

B. Priority of Declaration. No breach of any of the provisions contained herein shall defeat or adversely affect the lien of any mortgage at any time made in good faith and for a valuable consideration upon said property, or any part thereof, and made by a bank, savings and loan association, mortgage company or insurance company authorized to transact business in the State of Florida, and engaged in the business of making loans constituting a first lien upon real property, but the rights and remedies herein granted to the Developer, the Association and the Owner or Owners of any part of said subdivision may be enforced against the Owner of the portion of said property subject to such mortgage notwithstanding such

mortgage. The purchaser at any sale upon foreclosure shall be bound by all of the provisions herein contained.

**XXI.  
DEVELOPER'S UNIT  
RIGHTS AND PRIVILEGES**

The provisions of Article X hereof respecting sale and lease of Condominium parcels, shall not be applicable to the Developer submitting the Condominium Property to Condominium ownership. The Developer reserves the right to and has the right to sell Condominium Units and parcels to any purchaser approved by it, subject, however, to the use of restrictions provided. The Developer shall have the right to transact any business necessary to consummate the sale of Units, including but not limited to the right to maintain models, advertise on the premises, and use the common elements. In the event there are unsold parcels, the Developer retains the right to ownership thereof under the same terms and obligations as other Owners of Condominium parcels. The Developer may sell parcels owned by it to any person or persons whatsoever and the provisions of Article X shall not be applicable to the Developer or to any such sale or conveyance by the Developer, notwithstanding anything to the contrary contained in this Declaration, the Bylaws or the Articles of Incorporation of the Association. Developer shall also have the right (i) to use any Units owned by Developer for offices, sales offices, storage space and samples; (ii) to enter upon the Common Elements with business invitees to show the sample Units and the Common Elements; and (iii) to maintain upon the Common Elements sales information signs and such other signs as Developer shall desire. This Article shall not be amended without the written consent of the Developer. If the provisions of this article conflict with any other article, then this article shall govern.

**XXII.  
SEVERABILITY OF PROVISIONS**

Invalidation of any of the covenants, conditions, limitations or provisions of this Declaration, or in the Articles or Bylaws of the Association or of the Condominium Act, shall in no ways affect the remaining part or parts hereof which are unaffected by such invalidation, and the same shall remain effective.

**XXIII.  
TERMINATION**

This project may be terminated as provided for by the Condominium Act. Upon termination the undivided share of the common property owned in common by each Unit Owner shall be one thirty-second (1/32) if only Phase I has been completed. If any of the Phases II through IX have been completed, upon termination the undivided share of the common property owned in common by each Unit Owner shall be determined by the following formula: The numerator shall always be one (1) and the denominator shall be equal to the number of Units actually constructed and submitted to Condominium ownership.

**XXIV.  
EASEMENTS**

A. All Owners of Units shall have as an appurtenance to their Units a non-exclusive perpetual easement for ingress to and egress from their Units over all right-of-way streets, stairs, walks and other common property located in the Condominium, subdivision, and a perpetual non-exclusive right or easement, in common with all persons owning an interest in any Unit in the Condominium, to the use and enjoyment of all common elements in the building and other facilities (including but not limited to utilities as they now exist) located in the Condominium.
