

For Sale:

Pontoon boat damaged in windstorm. Boat is being sold as is.

Maker - Tracker Marine Group

Year - 1995

Length 23' 10"

No Outboard

The boat sustained damage in a windstorm on March 2022. Deck has been separated from a section of the hull on the starboard bow. In addition, several deck side panels were ripped off, starboard pontoon and deck need some fiberglass work, and the cleats for docking lines were compromised. The boat is currently in the mainland parking lot.

If you're interested, please contact Kathy Dressel, with an offer, by June 17th, 2020.
