

e-Blast 7/8/22

In order to facilitate a comprehensive list of people who will be riding the ferry each day, we are asking owners to email the property management company (barbv@myflmanager.com) when they have a vendor who will need access to the ferry.

We will need the company name, number of people and the date they will be riding the ferry. Please also include your name and unit number.

Vendors include housekeepers, plumbers, A/C repairman, etc. that do work for you at your unit.

Thank you.

Barb Vitolo, CAM
