

e-Blast 9/20/22

We are happy to announce some new additions to the HBBC staff!

Steven Lohr will be starting on September 26th in his position as Maintenance/Caretaker. You may see him on the property prior to that as he moves into the residence with his wife, Maureen. The Lohrs moved to Florida from Colorado. Steven was with the engineering/maintenance department for the Colorado Rockies Baseball Club. Prior to that he was the owner of Great Lakes Home Services. His broad background demonstrates the skills that he will need to fill the HBBC maintenance role. We expect to transfer much of the outside contractor work to Steven. Please make Steven and Maureen welcome!

Captain David LeTourneau is joining the staff as ferry captain. David holds a 100 ton license. He will be starting his HBBC training this week. This addition rounds out our captain staff. Our other current staff includes Tom Loveday, Slavek Pardo, Gary Thoman, and Dan Edwards. We also have some fill in captains to help out as needed.

Anyone who needs the HBBC key tag please text Erika Johnson at 612-741-7448. She will get them to you. These key tags are only issued to owners at HBBC and will identify you as such. The new captains may ask to see them until they recognize you.
